

Winter Survival

Surviving in the winter for for a pilot can be very serious. This seminar is present what can happen and resources the pilot has.

Directions: Exit I-94 at State Street. Turn south and go to the first light. Turn right on Airport Drive and take it to the very end. The terminal building is next to the tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
